Denny Weaver, 2001-08-28 This challenging work explores the history of the Christian doctrine of atonement exposing the intrinsically violent dimensions of the traditional Anselmian satisfaction atonement view and offering instead a new thoroughly nonviolent paradigm for understanding atonement based on narrative Christus Victor The book develops a two part argument J Denny Weaver first develops narrative Christus Victor as a comprehensive nonviolent atonement motif The other side of the discussion exposes the assumptions and the accommodation of violence in traditional atonement motifs The first chapter lays out narrative Christus Victor as nonviolent atonement that reflects the entire biblical story though paying particular attention to Revelation the Gospels and Paul This biblical discussion also touches on the Old Testament story Hebrew sacrifices and the book of Hebrews Following chapters place narrative Christus Victor in conversation with defenders of Anselm and with representatives of black feminist and womanist theologies These discussions expose an accumulation of dimensions of violence in the several forms of satisfaction atonement A final substantive chapter analyzes the inadequacy of all attempts to defend Anselm against the recent challenges raised by feminist and womanist perspectives This analysis lays bare the violent dimensions of satisfaction atonement which can be camouflaged but not removed In light of this discussion Weaver argues that the view of satisfaction atonement must be abandoned and replaced with narrative Christus Victor as the only thoroughly biblical and thoroughly nonviolent alternative Journal of the Royal Statistical Society Royal Statistical Society (Great Britain), 1896 Published papers whose appeal lies in their subject matter rather than their technical statistical contents Medical social educational legal demographic and governmental issues are of particular concern **Biennial Report of the Superintendent of Public Instruction of the State of Illinois** Illinois. Second Edition J. Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver's Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver's original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm's theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology Hennepin County Crime Report ,1995 **Daily Series, Synoptic Weather Maps** United States.
