In Defense of Elitism Joel Stein,2019-10-22 From Thurber finalist and former star Time columnist Joel Stein comes a brilliant exploration Walter Isaacson of America s political culture war and a hilarious call to arms for the elite I can think of no one more suited to defend elitism than Stein a funny man with hands as delicate as a baby full of soft boiled eggs Jimmy Kimmel host of Jimmy Kimmel Live The night Donald Trump won the presidency our author Joel Stein Thurber Prize finalist and former staff writer for Time Magazine instantly knew why The main reason wasn t economic anxiety or racism It was that he was anti elitist Hillary Clinton represented Wall Street academics policy papers Davos international treaties and the people who think they re better than you People like Joel Stein Trump represented something far more appealing which was beating up people like Joel Stein In a full throated defense of academia the mainstream press medium rare steak and civility Joel Stein fights against populism He fears a new tribal elite is coming to replace him one that will fend off expertise of all kinds and send the country hurtling backward to a time of wars economic stagnation and the well done steaks doused with ketchup that Trump eats To find out how this shift happened and what can be done Stein spends a week in Roberts County Texas which had the highest percentage of Trump voters in the country He goes to the home of Trump loving Dilbert cartoonist Scott Adams meets people who create fake news and finds the new elitist organizations merging both right and left to fight the populists All the while using the biggest words he knows *Census 1961: England and Wales* Great Britain. Elizabeth Warren Harvard's Victoria Budson comedian Susie Essman and many more shared their surprising personal stories They spoke candidly about why women are paid less and the pitfalls women face and play into Now expanded to address gender dynamics in the MeToo era Know Your Value blends compelling personal stories with the latest research on why many women don't negotiate their compensation why negotiating aggressively usually backfires and what can be done about it For any woman who has ever wondered if her desire to be liked can be a liability yes if there is a way to reclaim her contribution after it's been co-opted in a meeting yes and if there are strategies men use to get ahead that women should too yes Know Your Value provides vital advice to help women be their own best advocates **Zeitschrift für Tierzucht**
