and winner of a 2015 Prose Award There is a threat lurking online A secret war with the power to destroy your finances steal
your personal data and endanger your life In Spam Nation investigative journalist and cybersecurity expert Brian Krebs
unmasks the criminal masterminds driving some of the biggest spam and hacker operations targeting Americans and their
bank accounts Tracing the rise fall and alarming resurrection of the digital mafia behind the two largest spam pharmacies
and countless viruses phishing and spyware attacks he delivers the first definitive narrative of the global spam problem and
its threat to consumers everywhere Blending cutting edge research investigative reporting and firsthand interviews this
terrifying true story reveals how we unwittingly invite these digital thieves into our lives every day From unassuming
computer programmers right next door to digital mobsters like Cosma who unleashed a massive malware attack that has
stolen thousands of Americans logins and passwords Krebs uncovers the shocking lengths to which these people will go to
profit from our data and our wallets Not only are hundreds of thousands of Americans exposing themselves to fraud and
dangerously toxic products from rogue online pharmacies but even those who never open junk messages are at risk As Krebs
notes spammers can and do hack into accounts through these emails harvest personal information like usernames and
passwords and sell them on the digital black market The fallout from this global epidemic doesn't just cost consumers and
companies billions it costs lives too Fast paced and utterly gripping Spam Nation ultimately proposes concrete solutions for
protecting ourselves online and stemming this tidal wave of cybercrime before it's too late Krebs's talent for exposing the
weaknesses in online security has earned him respect in the IT business and loathing among cybercriminals His track record
of scoops has helped him become the rare blogger who supports himself on the strength of his reputation for hard nosed
