

Assessing a Company's Industry and Competitive Environment

There are six questions that must be asked and answered:

1. What competitive forces do industry members face, and how strong are they? ?
2. What forces are driving changes in the industry, and how will they impact competitive intensity and profitability?
3. What market positions do industry rivals occupy—who is strongly positioned and who is not?
4. What strategic moves are rivals likely to make next?
5. What are the key factors for future competitive success?
6. Is the industry outlook conducive to good profitability?
