Annual Report of the Superintendent of Insurance to the New York Legislature New York (State). Insurance Department,1895 City Limits Megan Kimble,2024-04-02 An eye opening investigation into how our ever expanding urban highways accelerated inequality and fractured communities and a call for a more just sustainable path forward Megan Kimble manages to turn a book about transportation and infrastructure into a fascinating human drama Michael Harriot New York Times bestselling author of *Black AF History* Every major American city has a highway tearing through its center Seventy years ago planners sold these highways as progress essential to our future prosperity The automobile promised freedom and highways were going to take us there Instead they divided cities displaced people from their homes chained us to our cars and locked us into a high emissions future And the more highways we built the worse traffic got Nowhere is this more visible than in Texas In Houston Dallas and Austin residents and activists are fighting against massive multi billion dollar highway expansions that will claim thousands of homes and businesses entrenching segregation and sprawl In *City Limits* journalist Megan Kimble weaves together the origins of urban highways with the stories of ordinary people impacted by our failed transportation system In Austin hundreds of families will lose child care if a preschool is demolished to expand Interstate 35 In Houston a young Black woman will lose her brand new home to a new lane on Interstate 10 just blocks away from where a seventy four year old nurse lost her home in the 1960s when that same highway was built And in Dallas an urban planner has improbably found himself at the center of a national conversation about highway removal What if instead of building our aging roads wider and higher we removed those highways altogether It s been done before first in San Francisco and more recently in Rochester where Kimble traces how highway removal has brought new life to a divided city With propulsive storytelling and ground level reporting *City Limits* exposes the enormous social and environmental costs wrought by our allegiance to a life of increasing speed and dispersion and brings to light the people who are fighting for a more sustainable connected future *Annual Report of the Commissioner of Insurance* Michigan.
