Murphy, 2010 This book examines the life of Jonathan Fisher 1768 1847 a native of Braintree Massachusetts and graduate of Harvard College who moved in his late twenties to Blue Hill Maine where he embarked on a multifaceted career as a pioneer minister farmer entrepreneur and artist Drawing on a vast record of letters diaries sermons drawings paintings and buildings Kevin D Murphy reconstructs Fisher s story and uses it to explore larger issues of material culture visual culture and social history during the early decades of the American republic Murphy shows how Fisher as pastor of the Congregational church in Blue Hill from 1796 to 1837 helped spearhead the transformation of a frontier settlement on the eastern shores of the Penobscot Bay into a thriving port community how he used his skills as an architect decorative painter surveyor and furniture maker not only to support himself and his family but to promote the economic growth of his village and how the fluid professional identity that enabled Fisher to prosper on the eastern frontier could only have existed in early America where economic relations were far less rigidly defined than in Europe Among the most important artifacts of Jonathan Fisher s life is the house he designed and built in Blue Hill The Jonathan Fisher Memorial as it is now known serves as a point of departure for an examination of social religious and cultural life in a newly established village at the turn of the nineteenth century Fisher s house provided a variety of spaces for agricultural and domestic work teaching socializing artmaking and more Through the eyes of Jonathan Fisher we see his family grow and face the challenges of the new century responding to religious social and economic change sometimes succeeding and sometimes failing We appreciate how an extraordinarily energetic man was able to capitalize on the wide array of opportunities offered by the frontier to give shape to his personal vision of community **Annual Report of the Commissioner of Mental Diseases** Massachusetts.  Tagg,1991 This is the first modern biography of Benjamin Franklin Bache the grandson of Benjamin Franklin Between the
 turbulent years of 1793 and 1798 Bache was the young nation s leading political journalist and a sharp critic of the
 Federalists and their policies As editor of the most important radical newspaper of the 1790s he lived at the center of most of
 the political storms of that decade He defended the Democratic Societies as the earliest vehicles of public opinion he
 strenuously opposed the ratification of the Jay Treaty the central political event of the decade he led and orchestrated the
 attack on George Washington in an attempt to curb growing executive authority and his defense of French policies
 contributed to the sedition crisis of 1798 A primary target of the Federalist sponsored Sedition Act he was indicted for
 federal common law seditious libel before that act took effect In 1798 at the height of the political hysteria Bache died of
 yellow fever at the age of twenty nine Like Thomas Paine to whom Bache was personally and ideologically connected Bache
 was not a product of Whig Oppositionist or classical republican ideology Yet neither was he an inheritor of a more thoroughly
 modern liberal ideal Committed to rational self interest he promoted a civic vision and only partially embraced the newer
 world of nascent capitalism James Tagg establishes the ideological and psychological framework of Bache s later radicalism
 by carefully examining Bache s childhood at Passy with his grandfather his education in Geneva and his adolescence in
 Philadelphia Benjamin Franklin Bache and the Philadelphia Aurora will interest scholars and students of American history
