Occupational Safety and Health Administration,1999 The Comeback Daniel de Visé,2018-06-05 Greg LeMond was Lance Armstrong before Lance Armstrong the story of a true hero This is a must read if you believe in miracles John Feinstein New York Times bestselling author In July 1986 Greg LeMond stunned the sporting world by becoming the first American to win the Tour de France the world s pre eminent bicycle race defeating French cycling legend Bernard Hinault Nine months later LeMond lay in a

hospital bed his life in peril after a hunting accident his career as a bicycle racer seemingly over And yet barely two years after this crisis LeMond mounted a comeback almost without parallel in professional sports In summer 1989 he again won the Tour arguably the world's most grueling athletic contest by the almost impossibly narrow margin of 8 seconds over another French legend Laurent Fignon It remains the closest Tour de France in history A blend of chaos kindness and cruelty typifies the scenes that journalist de Vis brings to life in this sympathetic verging on reverential retelling of LeMond's trailblazing career first American to enter the tour first to win it As an author in quest of his protagonist's motivation de Vis subjects it to extreme torque The Washington Post A great book Well written and thoroughly researched Engrossing and hard to put down If you're a Greg LeMond fan The Comeback is a must read because it's a detailed accounting of his career and more importantly his life and person off the bike It's also an important reminder that American cycling did not begin and end with Lance Armstrong PEZ **Documents of the Senate of the State of New York** New York (State).
