Collected Works Mahatma Gandhi, 1970 *To Tell Their Children* Rachel L. Greenblatt, 2014-02-26 This book offers an examination of Jewish communal memory in Prague in the century and a half stretching from its position as cosmopolitan capital of the Holy Roman Empire 1583 1611 through Catholic reform and triumphalism in the later seventeenth century to the eve of its encounter with Enlightenment in the early eighteenth Rachel Greenblatt approaches the subject through the lens of the community's own stories stories recovered from close readings of a wide range of documents as well as from gravestones and other treasured objects in which Prague's Jews recorded their history On the basis of this material Greenblatt shows how members of this community sought to preserve for future generations their memories of others within the community and the events that they experienced Throughout the author seeks to go beyond the debates inspired by Yosef Hayim Yerushalmi's influential *Zakhor* Jewish History and Jewish Memory often regarded as the seminal work in the field of Jewish communal memory by focusing not on whether Jews in a pre-modern community had a historical consciousness but rather on the ways in which they perceived and preserved their history In doing this Greenblatt opens a window onto the roles that local traditions aesthetic sensibilities gender social hierarchies and political and financial pressures played in the construction of local memories **Hearings** United States. Prince of the Press Joshua Teplitsky, 2019-01-01 David Oppenheim 1664 1736 chief rabbi of Prague in the early eighteenth century built an unparalleled collection of Jewish books and manuscripts all of which have survived and are housed in the Bodleian Library at Oxford His remarkable collection testifies to the myriad connections Jews maintained with each other across political borders and the contacts between Christians and Jews that books facilitated From contact with the great courts of European nobility to the poor of Jerusalem his family ties brought him into networks of power prestige and opportunity that extended across Europe and the Mediterranean basin Containing works of law and literature alongside prayer and poetry his library served rabbinic scholars and communal leaders introduced old books to new readers and functioned as a unique source of personal authority that gained him fame throughout Jewish society and beyond The story of his life and library brings together culture commerce and politics all filtered through this extraordinary collection Based on the careful reconstruction of an archive that is still visited by scholars today Joshua Teplitsky's book offers a window into the social life of Jewish books in early modern Europe Publisher's website **Hakham Tsevi Ashkenazi and the**
