present in the biblically inspired *The Book of Job* are echoed in the organization of the volume translating the formal wit of Studio Job partners Job Smeets and Nynke Tynagel's work into print. Interior spreads including photographs taken expressly for the book and gatefold tableaux specifically designed by the artists and created using special dies will provide rare insight into Studio Job's particular approach to design and pattern making resulting in a highly collectible and rarified book. The award-winning furniture and art objects designed by Smeets and Tynagel bring a monumental sensibility to contemporary industrial design leavened with unapologetic wit and romance. Celebrated in design and art fairs from Milan to Miami and featured in the permanent collections of important museums, the pair's creations from sculpture to graphic design have attracted a cult following among the cognoscenti. Studio Job's work is drawn from an artistic tradition that infuses everyday objects with grand historical themes and these inspirational sources have been harnessed to create an unprecedented volume embodying the process of these designers.
