*Advanced Quality Auditing* Lance B. Coleman, Sr. ?,2015-06-02 Auditors from any industry must learn the language of upper management if they truly want to affect positive change throughout their environments If quality auditors want to remain relevant and keep from becoming marginalized they need to add new skills and credentials and even more

importantly move beyond conformance monitoring to determine how their work might impact the corporate bottom line The purpose of this book is to accept that challenge in presenting two ways that auditors can learn to speak the language of upper management either by helping to drive continuous improvement or by helping to manage risk This book has essential information that will help guide an organization's efforts to glean more value from their audit process It helps grow the audit function beyond verification audits It provides insight for using the audit function to improve organizations using lean principles It also discusses how the audit function can contribute to and be formally integrated into the ongoing risk management program This book is about advancing the profession of auditing as well as the skills of individual auditors Buy Read Reread It will kick start your risk based thinking journey Then buy the book for each member of your auditing team

Greg Hutchins PE Director Certified Enterprise Risk Manager Academy While there is a constant influx of books on auditing entering the market today Advanced Quality Auditing An Auditors Review of Risk Management Lean Improvement and Data Analysis stands out among them as Lance excels at demonstrating to readers how they can embrace the methodologies for continual improvement as they apply to the audit program and audit professionals By combining the use of the audit checklist development matrix tool ACDM and various lean tools that are traditionally applied to processes other than auditing auditors can ensure they not only audit for compliance but also add value to the audits demonstrating the value of audit program and in turn themselves The clarity of explanation and illustrative charts and diagrams of the Kano model makes it easy for the beginning auditor to understand and implement while providing deeper insights to experienced auditors in how to leverage the model in the continual improvement of the audit program Lance clearly makes the case that as audit professionals we should all embrace the use of the Kano model and apply it to our own audit programs to ensure we are always positioned to delight our customers

Nancy Boudreau ASQ Audit Division Chair 2014 2015 Lance Coleman has taken a traditional topic on auditing and written a professional synopsis of key concepts in terms so clear as to make them understandable and useful to the reader A great book to use and have as reference Well done Dr Erik Myhrberg IRCA Certified QMS Lead Auditor Co author A Practical Field Guide for ISO 13485 2003
