Developmental Disabilities David L. Braddock,1995 This project is based on the Third National Study of Public Spending
for Mental Retardation and Developmental Disabilities The first section is an overview of the study itself including
methodology results and analysis The second part consists of state profiles while the third deals with supplementary financial
and programmatic data The overall objective of the project is to determine how and why exemplary service systems have
evolved in certain settings and not in others The study addresses this goal from a fiscal stand point Annotation copyrighted
