Breyfogle,2011-08-11 In Heretics and Colonizers Nicholas B Breyfogle explores the dynamic intersection of Russian borderland colonization and popular religious culture He reconstructs the story of the religious sectarians Dukhobors Molokans and Subbotniks who settled either voluntarily or by force in the newly conquered lands of Transcaucasia in the nineteenth century By ordering this migration in 1830 Nicholas I attempted at once to cleanse Russian Orthodoxy of heresies and to populate the newly annexed lands with ethnic Slavs who would shoulder the burden of imperial construction Breyfogle focuses throughout on the lives of the peasant settlers their interactions with the peoples and environment of the South Caucasus and their evolving relations with Russian state power He draws on a wide variety of archival sources including a large collection of previously unexamined letters memoirs and other documents produced by the sectarians that allow him unprecedented insight into the experiences of colonization and religious life Although the settlers suffered greatly in their early years in hostile surroundings they in time proved to be not only model Russian colonists but also among the most prosperous of the Empire s peasants Banished to the empire s periphery the sectarians ironically came to play indispensable roles in the tsarist imperial agenda The book culminates with the dramatic events of the Dukhobor pacifist rebellion a movement that shocked the tsarist government and received international attention In the early twentieth century as the Russian state sought to replace the sectarians with Orthodox settlers thousands of Molokans and Dukhobors immigrated to North America where their descendants remain to this day
