Competitiveness in United States Grain Exports Mei M. Zhang, 2021-12-12 First Published in 1996 The United States is one of the major grain producing and exporting countries in the world The grain provides economic livelihood for many millions of farm families in the world and those engaged in marketing and distribution Rice is a major crop for the United States in international grain trade though it is not a major crop for consumption One of the questions the U S grain industry has been facing is the question of how to keep its appropriate share in the world market The purpose of this book is to determine the cost per ton of shipping rice for selected sizes of bulk vessels from various U S southern ports of origin to specific foreign import ports These cost data are then used in a transportation model to estimate a least cost shipping pattern for U S rice exports **Bulletin** ,1963 **State-of-practice for the Nonlinear Analysis of Concrete Dams at the**

Business of Relief Elna C. Green,2003 The South has been largely overlooked in the debates prompted by the wave of welfare reforms during the 1990s This book helps correct that imbalance Using Richmond Virginia as an example Elna C Green looks at issues and trends related to two centuries of relief for the needy and dependent in the urban South Throughout she links her findings to the larger narrative of welfare history in the United States She ties social welfare policy in the South to other southern histories showing how each period left its own mark on policies and their implementation from colonial poor laws to homes for children orphaned in the Civil War to the New Deal s public works projects Green also covers the South s ongoing urbanization and industrialization the selective application of social services along racial and gender lines debates over the deserving and undeserving poor the professionalization of social work and the lasting effects of New Deal money and regulations on the region This groundbreaking study sheds light on a variety of key public and private
