Blegen Jack L. Davis,Vasiliki Florou,Natalia Vogeikoff-Brogan,2015-01-01 Carl Blegen is the most famous American  
archaeologist ever to work in Greece and no American has ever had a greater impact on Greek archaeology Yet Blegen unlike  
several others of his generation has found no biographer In part the explanation for this must lie in the fact that his life was  
so multifaceted not only was he instrumental in creating the field of Aegean prehistory but Blegen his wife and their best  
friends the Hills the family were also significant forces in the social and intellectual community of Athens Authors who have  
contributed to this book have each researched one aspect of Blegen s life drawing on copious documentation in the United  
States England and Greece The result is a biography that sets Blegen and his closest colleagues in the social and academic
