Martin Cropp's first edition was originally published in 2000 and provided the first commentary on the play since those of Maurice Platnauer Oxford 1938 and Hans Strohm Munich 1949. It contributed significantly to a revival of interest in what had been a rather neglected and underrated play. This new second edition will incorporate substantial revisions to the introduction and commentary and some corrections to the Greek text and translation in light of reviews of the first edition and other recent work.
