destroy the quality of life to such a degree that many believe the cure is worse than the disease. There is another approach to the treatment of cancer. Finding cancer's root causes and applying a holistic understanding of lifestyle, diet, stress reduction, and appropriate nutritional and herbal support can strengthen the body and its immune system, restore the spirit, and balance the psyche of the cancer patient. With this integrative approach, a healthy mental and emotional balance joins a healthy approach to life to truly treat cancer. Not every cancer patient is cured, but every patient is brought to a state of understanding which in many cases leads to what appear to be miraculous remissions. In other cases, it allows the individual to experience a quality of life and passing uncommon in our society: the ability to face life and death with dignity and a sense of completion.

Book jacket **Doctors' Orders** Cal Orey, 2002. A guide to optimal health reveals the treatment regimens doctors use to keep their own families healthy, providing advice for a variety of ailments and conditions including heart disease, cancer, arthritis, and sexual dysfunction.
